**BSL=** Building Site License

- Prices shown in italics are for technology upgrades only; licensing remains the same
- All upgrades require proof of purchase
- With proof of original purchase normal distributor discounts apply to upgrade pricing
- All license upgrades will be fulfilled with the latest version

Just a reminder that our **Building Site License** is very generous.  
It allows you to:

- Run the Software over the network on an unlimited number of computers in the specified location.
- Install the Software on an unlimited number of computers in the above location.
- Make unlimited copies of the Software for use within the above location.
- Make up to twenty copies of the Software for teacher/student use at home.

Please contact Digital Frog for upgrade pricing on Licenses not listed in this table
